DISTRICT TEAMS WILL:

- Focus on data and decision making, focused goal setting, and instruction and learning from the Ohio Leadership Development Framework.
- Showcase their use of effective leadership practices to support increasing student achievement.
- Demonstrate the web-based resources and tools used to enact the Ohio Leadership Development Framework.

PARTICIPANTS WILL INCREASE UNDERSTANDING OF:

- How the Ohio Leadership Development Framework provides a foundation for effective educational leadership practices.
- How the Ohio Improvement Process (OIP) helps leadership teams enact leadership practices for increasing student achievement.
- Available resources and tools for systematic and systemic leadership development.

Please register on STARS by May 20: <https://safe.ode.state.oh.us/portal/>
Due to space limitations, up to 4 attendees per district may attend.
